TO WHOMSOEVER IT MAY CONCERN.

This is to Certify that M/s. Ahura Contractors had carried out a contract in the year 2012-2013 at my residence.

There have been no complaints during the subsequent monsoon of any water leakages.

We take pleasure in certifying that their work is quite satisfactory. Their after sales service and follow up is excellent and they have been honoring their guarantee.

I highly recommend Ahura Contractors for any contracting work.
